WHO ARE WE?

ESCREO MEANS TO CREATE

We've been on the market for half a decade and have helped thousands of companies transform their workspaces in more collaborative and effective working environments.

Change the way you work, teach, collaborate, innovate and communicate...and then wipe away and do it all again tomorrow, with our water-based writable paints.

PRODUCT PORTFOLIO

WHITE WHITEBOARD PAINT

Use the ESCREO White [Whiteboard Paint](#) to easily transform any flat surface into a collaborative whiteboard area.

- White whiteboard paint
- Easy to write and erase
- Paint in 1-day, write in just 3-days
- Easy roller application
- Eco-friendly, water-based formula
- 10-year surface warranty

TRANSPARENT WHITEBOARD PAINT

Turn any flat surface into a writable, dry erase surface, while preserving the look and style of your space with ESCREO [clear writable paint](#)

- Keep the original colour of your surface
- No primer required
- 1-day application; write in just 3 days
- Easy roller application
- Water-based formula
- 10-year limited warranty

MAGNETIC WHITEBOARD PAINT

Unleash your creativity - attach notes and write on the wall thanks to ESCREO [Magnetic Whiteboard Paint](#).

- Strong magnetic properties
- Can be combined with white, transparent or just standard topcoat if the surface doesn't need to be writable
- 1-day application; write in just 3 days
- Water-based formula
- 10-year warranty

PROJECT PORTFOLIO

Since 2016 our team has **delivered hundreds of large scale projects**, including office buildings, coworking spaces, training centres, schools and universities, worth thousands of square meters.

We partner with **architects, interior designers, surveyors, specifiers and estimators** and can assist you with the planning of your projects.

Our team can also refer you to specialist installers with years of expertise in applying writable wall paints and can offer **10 year warranty on the product and installation**.

We can provide **bulk order discounts** depending on your project size and scope. If you are working on a large project, please contact us via the form, or email us at: wholesale@escreo.com

TRUSTED BY INNOVATORS

Over 2000 top companies from the IT, entertainment, telecommunications, advertising and financial sector already changed the way they work with ESCREO.

REVIEWS

"The ESCREO walls help up communicate, systemize our ideas and create more CHAOS!"

Apostol A., CHAOS GROUP

"ESCREO team is fresh, cool and very energetic. In SAP we are using their wall every day, and it took just a few hours to create it. Couldn't everything be done so smart?"

Alex A., SAP Labs

"ESCREO whiteboard paint is the best product on the market."

Brian K., Pittsburgh Technology Council

"ESCREO inspired us to break the communication limits in the office and act "outside the box" when it comes to expressing and sharing our ideas."

Simona S., UP2

MAINTENANCE GUIDE

✓ Do

- Use writing/ erasing accessories from ESCREO or other high quality whiteboard accessories
- Erase with soft foam sponge or microfiber cloth
- Use ESCREO spray for deeper cleaning when needed

✗ Don't

- Do not use permanent and flip chart markers (in such case please contact us)
- Do not use the spray for the first 2 weeks after painting
- Do not write immediately after using a cleaning spray
- Do not use the spray with the soft sponge for cleaning (use only with microfiber cloth)
- Do not erase with hard or abrasive materials
- Do not clean the markers with degreasers, nail polishers, diluents or other aggressive cleaning chemicals

Read our full guide for additional tips on [how to maintain your whiteboard paint](#).
