

ESCREO

PORTFOLIO

OUR MANIFEST

Walls.

We have them **all around**.

Walls - in front of or within us.

There are walls - we have to break. Just like that.

There are walls - we have to **jump over**. Just like that.

There are walls - we build to keep our feelings safe. Thats pretty fine.

Your mom wrote a birthday wish on your Social Media wall. Thats pretty fine.

Too many walls?

Nope.

Walls makes us **better**. Everyday.

Thats why we are here.

We know walls create a better you. **Everyday**.

Just because **we know** walls.

Alexander Nestorov, Head of Marketing, SAP Bulgaria

ESCREO team is fresh, cool and very energetic. At SAP we are using their wall every day, and it took just a few hours to create it. Couldn't everything be done so smart?

SAP is the world's largest business software company – founded in 1972 and headquartered in Walldorf, Germany. Their mission is to Run Simple and use their technological and business know-how to make the world a better place.
